Other Attractions

In addition, the spectator area will be filled with multiple aircraft static displays. Contrasting, will be World War II fighter aircraft and bombers: B-25 bomber, P-51 Mustang, Supermarine Spitfire MKXIV, Grumman Hellcat, Grumman Bearcat and a Corsair. Several other very unique aircraft will also be available for viewing in the spectator area.

The USAF Thunderbird jets will be on our ramp for all to see and attendees will be able to enjoy the very exceptional "walk down" of the Team prior to their takeoff. After their flight, the team will be signing autographs. Other fun adventures after the show will be rides in the B25, the Mustang or a high speed run down the runway in a Ferrari or a Lamborghini.
