Minden-Tahoe Airport Announces CF-18 Demo Team Addition

Minden, NV. – Douglas County Minden-Tahoe Airport is pleased to announce the addition of Canada's CF-18 Demo Team to the Aviation Roundup. The unique paint scheme featuring the Canadian Maple Leaf is to celebrate Canada's 150th birthday. The team is an invaluable addition to an already spectacular line-up of performers and aircraft.

There will be numerous attractions accessible to the public including a wide variety of items and informational booths. There will be numerous attractions accessible to the public including a wide variety of items and informational booths provided by approximately 70 vendors at the event.

The show is also pleased to announce several new sponsors, including: Starbucks Coffee Company, JOIN, Inc., AVK Company, Colbre Grading and Paving, Pinon Aero Center and Douglas Disposal.

The air show is scheduled for October 7 and 8, 2017 at the Minden-Tahoe Airport.

For more information and to purchase tickets, go to www.aviationroundup.com
