Douglas County Selects Jenifer Davidson as Assistant County Manager

Minden, NV- The position of Assistant County Manager has been offered to Jenifer Davidson at the salary of \$114,920.00.

The vacancy was advertised and applications accepted on the Douglas County website for three weeks in early January 2018. All applications were evaluated against the minimum qualifications for the position and the most qualified applicants identified for further screening. An extensive series of interviews was conducted with a focus on obtaining broad scope and insight from a variety of perspectives. The [Interview Architect](#) system by Korn Ferry, was utilized to develop interview questions for a competency-based interview approach proven to provide better predictors of behaviors. This competitive process yielded Jenifer Davison as the strongest candidate.

In 2011 Jenifer was appointed to the position of Minden Town Manager by the Town Board. She previously served as an Administrative Services Manager at China Spring from 2008 to 2011. Jenifer is a Certified Public Official through the Nevada League of Cities and Municipalities.

Jenifer graduated Douglas High School in 2000. She went on to attend Boise State University where she obtained a Bachelor's of Science in Political Science with an emphasis in Public Law, Philosophy and Administration. While in college, Jenifer worked at the United States Attorney's Office in Boise, Idaho. She was a member of the Leadership Douglas County class of 2013 and a recently (2017) completed the University of Nevada, Reno Supervisory Management Program.

"I am honored by the opportunity to further serve and give back to the community that has shaped me into the public service professional I am today," said Jennifer. "I look forward to working with the dedicated career professionals and elected officials of Douglas County."

The majority of Jenifer's extended family still currently resides in Douglas County. She and her husband Ryan were married in the spring of 2012. Ryan is a Sergeant First Class in the Nevada Army National Guard stationed in Carson City serving since 2004.

"We are very excited to welcome Jenifer, and we believe she as a dynamic skill set that will be an incredible asset to Douglas County," said County Manager, Larry Werner.
