### PREFACE

## PART I: DOUGLAS COUNTY AND MASTER PLANNING

### Chapter 1: Douglas County Perspective

Setting .....	1-1
Past and Present .....	1-2
Planning for Tomorrow.....	1-3
Context of Decision Making .....	1-4
Planning History in Douglas County .....	1-5
Regional Planning Organizations.....	1-7
Regional and Community Planning .....	1-8

### Chapter 2: Framework of the Master Plan

Introduction.....	2-1
Vision for Douglas County - 2026.....	2-4
Value Statements.....	2-4
Recommendations for the 2006 Update.....	2-5
Goals, Policies, and Strategies .....	2-5
Summary of Changes Reflected in 2006 Update .....	2-6
Implementation .....	2-11
Monitoring Plan Effectiveness.....	2-12
Updating the Master Plan.....	2-12
Amendments to the Master Plan .....	2-13
Support for the Master Plan .....	2-14

### Chapter 3: Douglas County Profile

Population.....	3-2
Housing .....	3-4
Open Space and Natural Resources.....	3-6
Cultural Resources.....	3-7
Economic Development .....	3-8
Transportation.....	3-10
Regional and Community Planning Areas .....	3-11
Regional Planning Areas.....	3-11
Community Plan Areas .....	3-12

## PART II: ELEMENTS

### Chapter 4: Tribal Lands Element

Introduction .....	4-1
Land Uses of the Washoe Tribe Parcels in Douglas County.....	4-1
Lower Clear Creek .....	4-1
Upper Clear Creek .....	4-2
Silverado .....	4-2
Mica Drive .....	4-2
Stewart Ranch .....	4-2
Dresslerville .....	4-2
Key Issues.....	4-3
Goals and Policies of the Washoe Tribe.....	4-3
Land Use .....	4-3
Population .....	4-4
Economy .....	4-5
Water Resources .....	4-5
Forest and Woodland Resources.....	4-6
Cultural Resource.....	4-6
Tribal Lands Goals and Policies.....	4-7

### Chapter 5: Conservation Element

Introduction .....	5-1
Geology/Seismic .....	5-1
Slopes - Hillsides - Ridgelines .....	5-16
Climate .....	5-22
Flooding and Drainage .....	5-23
Major Drainage Basins .....	5-23
Flooding .....	5-23
Development Considerations .....	5-46
Potential Wetlands.....	5-48
Water Resources.....	5-50
Introduction.....	5-50
Water Quality.....	5-52
Water Quantity.....	5-57
Water Rights and Ground Water Pumping .....	5-62
Future Water Resource Demand.....	5-65
Forest and Range Resources.....	5-74
Air Quality.....	5-78
Clean Air Act.....	5-79
Potential Strategies .....	5-79
Wildlife/Vegetation .....	5-82
Mule Deer Migration .....	5-83
Sierra Fire Fuels.....	5-87

Sierra Non-Flamable Roofing Material .....	5-91
Energy .....	5-95
Noise.....	5-99
Separation of Noise-Sensitive Uses and Noise Generators .....	5-100
Mitigation of Off-Site Noise Impacts .....	5-100
Conservation Goals and Policies .....	5-102
Geology/Seismic .....	5-102
Slopes - Hillsides and Ridgelines .....	5-102
Flooding and Drainage.....	5-103
Potential Wetlands .....	5-105
Water Resources .....	5-106
Forest and Range Resources .....	5-108
Air Quality .....	5-109
Wildlife and Vegetation.....	5-109
Energy .....	5-110
Noise .....	5-110

**Chapter 6: Growth Management Element**

Introduction .....	6-1
Planning for a Sustainable Community .....	6-1
Build Out Analysis.....	6-4
Purpose of the Growth Management Element .....	6-5
Timing, Location, and Financing of Growth.....	6-6
Jobs/Housing Balance.....	6-7
Minimum Development Standards .....	6-8
Adequate Public Facilities .....	6-9
Location and Patterns of Growth .....	6-10
Rate of Growth.....	6-15
Growth Management Goals and Policies .....	6-17

**Chapter 7: Agriculture Element**

Introduction .....	7-1
Urban Service Areas.....	7-4
Clustering of Development.....	7-5
Transfer of Development Rights .....	7-6
Acquisition of Development Rights .....	7-8
Agriculture Element Goals and Policies.....	7-9

**Chapter 8: Economic Development Element**

Introduction .....	8-1
Business and Economic Development Team.....	8-1
Business Climate .....	8-2
Taxes .....	8-2

Landuse .....	8-3
Commerical Areas .....	8-3
Redevelopment Areas .....	8-3
Jobs/Housing Balance .....	8-5
Trends .....	8-5
Employment .....	8-5
Population and Workforce .....	8-9
Earnings .....	8-10
Economic Development Objectives .....	8-11
Business Diversity .....	8-11
Affordable Housing .....	8-12
Streamline Regulatory Environment for Business .....	8-12
Education .....	8-12
Quality of Life .....	8-12
Economic Leakage .....	8-12
Economic Development Strategies .....	8-15
Tourism .....	8-15
Agriculture, Agricultural Tourism, and Bioagriculture .....	8-15
Clean Energy .....	8-16
Other .....	8-17
Economic Development Goals and Policies .....	8-19

## Chapter 9: Historic Preservation Element

Introduction .....	9-1
Key Historic Preservation Issues .....	9-2
Providing Information About Historic Resources .....	9-2
Encouraging Preservation .....	9-2
Implementation .....	9-2
Historic Preservation Goals and Policies .....	9-2
Implementation Strategy .....	9-3

## Chapter 10: Land Use Element

Introduction .....	10-1
Key Land Use Issues .....	10-1
Accommodation of Growth in Accordance with Community Goals and Objectives and Regional General Welfare .....	10-1
Development Guidance .....	10-2
Land Use Compatibility .....	10-2
Preservation of Natural Environment and Agricultural Use .....	10-2
Distinctive Community Character .....	10-2
Infill Development .....	10-2
Joint Planning .....	10-3
Redevelopment .....	10-3
Urban Communities .....	10-3

Rural Communities and Areas.....	10-4
Land Use Map .....	10-4
Land Use Designations.....	10-6
Resource Uses .....	10-7
Forest and Range Lands.....	10-7
Irrigated Agriculture Lands.....	10-7
Tribal Lands .....	10-7
Residential Uses.....	10-8
Non-Residential Uses.....	10-10
Development Potential .....	10-13
Land Use Goals and Policies.....	10-16

**Chapter 11: Population and Housing Element**

Introduction .....	11-1
Population and Housing Goals and Policies.....	11-43

**Chapter 12: Public Services and Facilities Element**

Introduction .....	12-1
Purpose of Public Services and Facilities Plan and Capital Improvement Program.....	12-1
Planning for Public Services and Facilities .....	12-2
Effective Management of Public Facilities and Services .....	12-2
Statutory Requirements for Public Services and Facility Planning (CIP).....	12-3
Level of Service Method for Analyzing Capital Facilities .....	12-4
Setting the Standards for Levels of Service.....	12-7
Level of Service Goals and Policies .....	12-8
Review of Applications for Development Permits .....	12-8
Impact Fee.....	12-9
Annual Budget .....	12-9
Update of Public Services and Facilities Plan .....	12-9
Concurrency Implementation and Monitoring System.....	12-9
Evaluation Reports.....	12-11
Capital Improvements Program Goals and Policies .....	12-12
Fair Share Cost Distribution Goals and Policies.....	12-13
Public Facilities and Services Standards .....	12-14
Law Enforcement.....	12-15
Emergency Medical Facilities (East Fork Fire and Paramedic District) .....	12-21
Fire Protection (East Fork Fire and Paramedic District) .....	12-23
Library.....	12-28
School District .....	12-31
Solid Waste Management .....	12-34
Water and Wastewater Systems Element.....	12-36
Wastewater Plan.....	12-59
Parks and Recreation Plan Summary .....	12-77
Current Park Inventory .....	12-77

Funding .....	12-83
Standards.....	12-83
Current and Future Facility Needs.....	12-85
Parks and Recreation Goals and Policies.....	12-85
Park Planning Areas.....	12-87
Transportation Plan Summary .....	12-88
Street and Highways Plan .....	12-89
Design Standards .....	12-92
Traffic Forecasts .....	12-96
Planning Area Transportation Plan Elements.....	12-107
Airport Master Plan.....	12-108
Inventory Traffic Control Devices.....	12-110
Speed Limit Data .....	12-111
Comprehensive Trails Plan .....	12-116
Purpose.....	12-116
Overview.....	12-116

**Chapter 13: Regional and Community Plans Element**

Introduction .....	13-1
Tahoe Planning Area.....	13-2
Sierra Planning Area.....	13-6
Carson Valley Planning Area .....	13-10
North and Central Agriculture Community Plan Area.....	13-13
Airport Community Plan Area .....	13-17
East Valley Community Plan Area.....	13-23
Fish Springs.....	13-29
Foothill Community Plan Area .....	13-34
Gardnerville Ranchos .....	13-40
Genoa.....	13-46
Indian Hills/Jacks Valley Community Plan Area.....	13-54
Johnson Lane Community Plan Area.....	13-60
Minden/Gardnerville Community Plan Area .....	13-66
Ruhenstroth .....	13-82
Pinenut Community Plan Area.....	13-87
Topaz Planning Area.....	13-90
Topaz Ranch Estates/Holbrook Planning Area .....	13-91

**Chapter 14: Implementation Element**

Introduction .....	14-1
Implementation of the Master Plan .....	14-1
Consolidated Development Code .....	14-1
Zoning Modifications.....	14-1
Subdivision and Land Division Regulations .....	14-2
Minimum Service Standards.....	14-2

Adequacy of Public Facilities and Services.....	14-2
Development Agreements.....	14-3
Intergovernmental Coordination.....	14-3
Growth Monitoring and Policy Review.....	14-3
Capital Improvements Program (CIP).....	14-4
Review of Master Plan.....	14-5
Implementation Goals and Policies.....	14-6
